COMMUNION SETS.

VESSELS WITH WHICH TO ADMINISTER THE LORD'S SUPPER.

THE most sacred ordinance that can be observed by all churches is that known as the Lord's Supper or, in other words, Sacrament. We do not think it is in keeping with these sacred ordinances of the Lord's Supper in church now-a-days to try to administer it with out the proper vessels.

Every Church Ought to Have a First-Class Communion Set.

They can have them made out of the best grade of quadruple-plated table silverware if they desire them. The Church Supply Department of the National Baptist Publishing Board has just received from their factory a new lot of this high-class ware, and would take pains in showing them to any one.

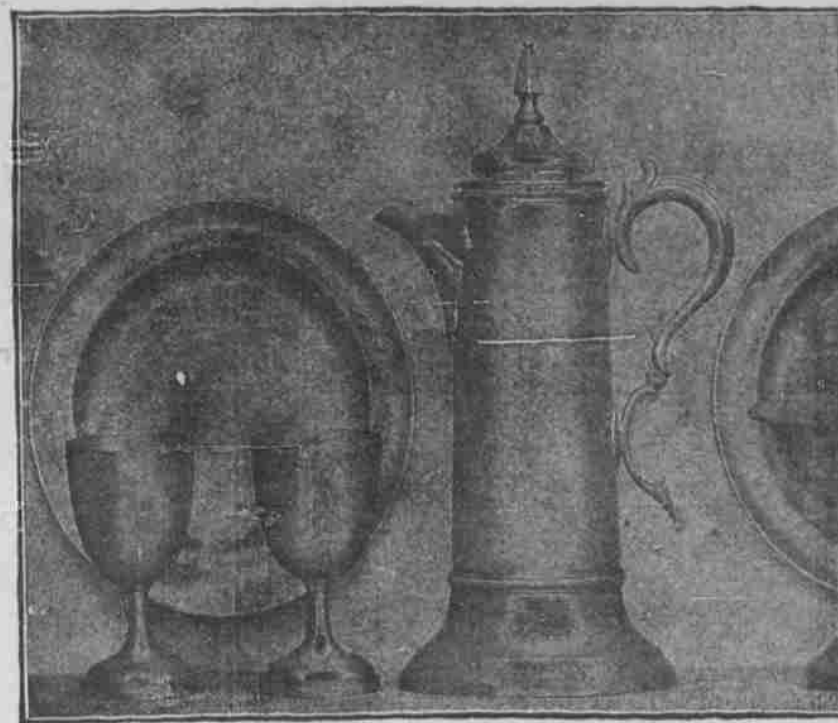

The Prices are Within Reach of All and Terms are Reasonable.

No church ought to be willing to use glass dishes or the like for these ordinances when they can have the best grade of silver at moderate prices.

Washington, of Franklin gave some very helpful remarks, among which was the following: "We are living in a very critical age, and what the outcome will be cannot be determined; for the frivolity of the world seems to have such a fascination for our young people, that something must be done, and done quickly." INSPECTOR OF DINING CARS.

One of the most responsible positions in the dining car department of the Pennsylvania Railroad is held by a colored man, Mr. Henry E. Johnson. For the past five years he has held this position with credit. He received the appointment to the situation in recognition of his ability to manage every detail of the dining car system.

PROGRESSIVE SEWING CIRCLE.

The sewing circle under the management of Mrs. Carrie Young and Miss Sarah Jones, both members of Mount Olive Baptist Church and teachers in the Sunday school, promises to give the public the benefit of the excellent work being done by the young members of the circle. They already have several beautiful quilts to put on exhibition, and in doing this they will have a couple of nights of entertainments in the near future.

This organization has for its purpose the looking after of the neglected little ones. Those who need shoes, clothes and a little word of encouragement are to be especially cared for. Mrs. Young and Miss Jones were met on one of their missionary tours Monday. They stated to a Globe reporter that they had been in many needy districts of the city on that day and attempted to supply the wants of a few neglected children. The proposed fair or bazaar will no doubt be the most unique ever planned. As soon as the place is selected and all details completed, the public will be informed and invited. It is said, however, that it will not occur at the church.

DR. CHAPPELLE'S MOTHER PASSES AWAY.

A telegram reached this city late Tuesday evening bearing the sad intelligence of the death of Mrs. Patsey Chappelle, of Newnan, Ga., the mother of Dr. W. D. Chappelle, Secretary of the A. M. E. Church Sunday School Union. Dr. Chappelle left the city late Tuesday night and carried with him the deepest sympathy of many friends.

MONTEAGLE SUNDAY SCHOOL.

During the summer season at Montecagle under the auspices of R. G. Rideout and Walter Edins, the annual Sunday School was organized as follows: I. C. Brown, Superintendent; R. G. Rideout, Secretary; Mrs. Mattie Edins, Treasurer; J. T. Phillips, Organist; Ridley Jarratt, Librarian, all of Nashville.

After being organized a plan was made by Mr. R. G. Rideout that all the money raised should be for the rebuilding of Roger Williams. Hon. John Bell Keeble being present, after addressing the Sunday school in a very interesting way, proved himself a friend toward the education of the colored people by pledging himself to give as much money as the Sunday school raised. The Sunday school raised \$29 and Hon. John Bell Keeble \$20.

On last Sunday night a committee met at Sylvan Street Baptist Church and turned the above amount over to the Field Secretary Rev. Wm. Haynes.
